FULL-RIDE SCHOLARSHIP ENGINEERING SCHOLARS PROGRAM

Hemlock Semiconductor is providing **up to 30 students** from the Great Lakes Bay Area with **full-ride scholarships** to attend Michigan Tech's **Engineering Scholars Program**. Spend one week exploring nine different fields of engineering while meeting other students from around the world and experiencing life on a college campus. It's like summer camp, but smarter!

Program dates: July 23-28, 2023

Open to: Students in grades 9, 10, and 11 in Midland, Gratiot, Bay or Saginaw County

Cost: Free! All tuition, fees, housing, meals, and transportation covered by HSC

Location: Michigan Technological University; Houghton, MI

To apply, go to bit.ly/HSCscholars. Deadline is **April 9, 2023**.
